

Hello, my name is _____

I am a proud swimmer swims of the Club de natation les Citadins.

This year I want, as an athlete, to push myself and give my best to improve my performance in the pool.

Shortly, I will take part in a swim -a-thon organized by the leaders of my club.

Thus, I will swim through as many as possible lengths in 120 minutes. This event will provide a subscription to fund my registration and competition fees.

So I ask you, in your turn, you commit to sponsor me for this athletic achievement.

To do this, I ask you a global amount for the event, or an amount per length that I will do in the time allotted. The money raised will allow me to continue my activities, take part in competitions, to get better and stay healthy.

Thank you for your encouragement.

The swim -a-thon of Les Citadins will be Thursday and Friday, 2018, February 8th and 9th

Thank you very much.
